Instructions to Reviewers:
All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.
For Completion of Review:
Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO will not publish an application for 18 months from the date of filing. If the USPTO were to publish an application for an invention that is a "patentable subject matter" and would not be a "patentable subject matter" under 35 USC 101, the application would be published. The application would be published 18 months from the filing date or 20 days from the date of publication of the application. If the application is published, it is not a "patentable subject matter" under 35 USC 101. The application would be published as a "patentable subject matter" under 35 USC 101.
